

Thank you for your support!

Why buy a banner line? CQHYA hopes to raise funds this year to support local state and national events that promote the American Quarter Horse. We wish to help scholarship our members to leadership and educational activities and support our R6, World Show and Congress Youth Teams. Your needed support will keep our Youth Association active and viable.

For more information on CQHYA go to www.cqha.com/pages/youth.htm

How this works!

When you purchase a line on the 2010 Banner of Support you can choose from 3 different levels. Limit 50 Characters for all levels.

Gold Line - Cost \$100.00

This level gets you top level on the banner in a larger font. The advantage is you will easily be able to read this from a greater distance. This is great for "Show Barns" or Businesses who would like to wish all their youth competitors a good season!

Silver Line - Cost \$ 75.00

This level gets you line posted mid way on the banner with a slightly smaller font. Great for family purchases!

Bronze Line - Cost \$ 50.00

This level will have your line posted near the bottom of the banner in a smaller font. The advantage is cost, and it is perfect for a single person or youth purchase.

Where will the banner be displayed?

The CQHYA officers will be posting the banner in the arena area for every CQHA show. We also plan on posting the banner at the Region Six Experience in Springfield.

If Permitted the Youth Teams going to Quarter Horse Congress and Youth World Show will be displaying the banner there as well.

How can I support the banner?

If you choose to support the banner please fill out the Banner Line Form and return it to a CQHYA member before April 11th, 2010. Please enclose payment with your form. Checks can be made out to CQHYA and please put "banner" in the memo line if you would.
